## FUN AND GAMES DURING HALF TERM

Two days of hard football practice and fantastic learning in 5 degrees sunshine:

In half term it's time to go to Kings' Soccer school camp.

You dribble and you practice shooting at the goal, and play penalty killer and matches. But the best thing of all is... the Tournament! You play 7 matches and a semi-final and if you're lucky, the final!

My friend Daniel, my sister Emily and me had so much fun that we want to come back next time!!

Go next year and find yourself player of the day or tournament winner.
